

ART FOR WELL-BEING COMPETITION

SCORESHEET

Below is the score breakdown for Art for Well-being finalists!

Please note:

- To calculate the average public score, total likes on the 1.8 Billion Young People for Change website were used to rank projects on a scale of 10 – 1 eg the finalist with the highest number of likes received 10 points and the finalist with the second highest number of likes received 9.5 points etc in the Design category / the person with the second highest score received 9 points etc in the Music and Film categories (average public score).
- The judges' score and the average public score were then combined at a ratio of 70% (judges) : 30% (public) to establish the winner.
